

Monica

CHORUS:

I have a friend
Her name is Monica
And when she starts to dance,
They all say ooh, la, la
Ooh, la, la, ooh, la, la
They all say ooh, la, la

She likes to move her eyes.
She likes it just like me.
She turns herself around
and she likes to dance like me.

She likes to move her eyebrows.
She likes it just like me.
She turns herself around
and she likes to dance like me.

She likes to move her head.
She likes it just like me.
She turns herself around
and she likes to dance like me.

CHORUS:

Her name is Monica
And when she starts to dance,
They all say ooh, la, la
Ooh, la, la, ooh, la, la
They all say ooh, la, la

She likes it just like me.
She turns herself around
and she likes to dance like me.

She likes to move her elbows.

She likes it just like me.
She turns herself around
and she likes to dance like me.
